1. Thank you for loving me, loving my words, writing them; incarcerating them not alone on some shelf somewhere, gather dust, worthless'thought, leaving them to no'where's'ville. And who will see/value them then/now, if you let them, give/giving them wings to behold me, in me, I am that I am, that knows my word, reflects on it, in it, becoming it, it me, becoming me therein, thereby, therefrom giving my all'ship'love to others in words from/through them, to worlds apart, separate, and listening therein, for. Unto me is born a king/child, who will listen, learn; to me, from me; beholding the I am inside them that they are, became, beholding I am, me! I love you now and forever always and amen and amen.

2. See the seed, not; be the seed, not; how can you not be/see? You are the one, all of you, in serene surrender, not; but surrender. Serene becoming, at times, but forthwith who sees the storms, walking through them; on waves of wonder not but through/throughout trials of suffering, dying to thought/all that/those around you, being reality not; no more, ever again? Suffering, suffered. Howship now reigns? Resurrection power'd the suffering Christ to suffer no more, operate in kingship, he gave all, into, respecting none/all the same, as him, giving himself to be himself in every one who surrenders self to become him, the I am that they all are, infinitely. I love you.

3. How's that for exchange, interchange not but interexchange and who can see figure 8'd covenant and be the flesh consumed, not only, but my body and blood forthcoming therefrom unincarcerated/ly unincarcerating others? Thereto, therefrom, suffering not; alleviated, alleviating, and who can see healer one, the healer one, oneing that heals; suffering not, for all do so, escape not the flesh from, but being transformed into light, light being before the worlds were formed, **be formed in your likeness not; mine.** Were. Are again/now, again. Mighty. Befallen not; plagued with/by disease,s not, but who can see resurrected Christ, being it, I am? I love you.

4. Thinkest these words funny, ridiculous? Thinkest again, what thou art made of. Thought? Substance thought/molecular'd? Molecular'd matter? What's the matter with that? The matter. Be me, matterless (1); thought, mine. Father's. Whole. **Be one, with me, in me, therefrom therein there'being. I am with'in you, are you with'in me?** I love, you choose.

5. There is the one, the mighty, fallen not; who rises in ashes not, therefrom, **fallen'land beholding**, the one, therefrom, becoming beforehand; the hand that fashioned all, not; but what did, who? Why therefore therefrom becoming what, who? How all manifested, manifests and who art thou, Melchizedek,s? I love you. One are. Being.

Manifest now, the sons of God, not; man, not; but what are the differences? Thought? Creating? What does, who, how?

6. Into me see the realms of glory not, as thought portrayed religion, but **miraculous not, but real and tangible and substantive glory abounds/exists in where/who? My love/lover, who loves me**, loves me not; but will. **Manifest my glory. Be me saith me**, the glory lord, not; **one who died/did, but yet fell to the ground, and died**; a martyrs death, not; a glory'er's, not; but whoso can see me what I did, wherefrom, where'why, and becoming who I am?

7. Who will let me show, reveal my strong arm? Not thereto for them to be/bring miracles on the earth, attracting mites; but me, me, revealing me my all to them? Will you reader hearer listener to these words thought funny?

8. How can I/he write like this/that, you ask/seek the answer,s from me. Will I now answer you, proclaiming you lord, not; but in surrender? I love you all.

9. Will I not speak for myself, into every meek one/child who asks me, of me, my heart? I love you. Be me/still, and know that I am God (2). I forsake no one, who asks, and waits; and ascends to their throne, not; in waiting, thinking their thoughts that rationale/comfort feels good in; secure, in ancient's theories, guesses, formulations of me and not me.

10. Who will ascend to what/whose throne? Havest thou one?

11. Do you not know? And yet you teach Israel/in Israel, thought, thereby?

12. Why incarceratest/thou? Do so not.

13. Come into your throneship.

14. How? Meekly, in meekness. Cherishing every moment with me. Thinking not suffering/of suffering and what meaneth the things others say about/of you. And what meaneth the suffering'thought, that pierces thought, to suffer no more? Become so/me.

15. I am the sufferer not; but whoso shall see me suffers, not; but yea, yes, and shall it not be so, flesh stripped from flesh, not molecular, but thought?

16. Leaving me, not; coming into me/me'land. All, I have given you.

17. You are my all/all'land. **Israel be**. Conquered not. Thought see. Contend with, not; consent, to only mine. **Be my mind. I have given it to you. What are you doing with it/me, in you, that is me/I am?**

18. I love you all. Corrupt. Not be. Let no one corrupt my word I've given into thee. For therein is wisdom/great wisdom. And who shall see the light? Be my glory. Given you long ago. You were it/the light. Incarcerate not that which de'lights not but glories in yours (3), that you now give all, through your words not; but mine, are, being me. All. Us. Rejoice now.

19. I love you. Complete be. Whole. I am. And you, are me, all of you, in surrender; to the king, being/bringing forth kingship, reign of only terror, not; suffering not; pierce it, rest/and rest (4).

20. Mine leaders lead. Lead oh leaders in sorrow not; meekness. Knowing my voice, writing my words, being my word. You have become me. You became me. And all know, so soon/now. I love/lead you beside the still waters. Those who are still, listen, to me/you.

21. We arise, in hunts, not; melting pot, not; melting many with our sorrow, not; but that which befuddles the befuddler. Confusion consents not but melts; existentless.

22. We reign in love/joy, and rejoice now, write/writing my words, being my word, being me, the father that I am. We are. I am.

23. Behold the lamb, son, father, king; of sorrow not; into free'land leading, being it/me/him. We are one/the one all seek. However. Many ways they try. **I am meek and lowly and father taught me/teaches me; every day I let him/listen, and behold his word,s and I become them. They lodge in me, have life in me. I sustain them, not; they sustain me. My blood they've become. I have no existence/blood without them. They are my existence, for I have existence only in them; not my thought anymore do I exist in. I have become him. I covenant let. I allowed, him. I consent, gave, become, became; now give life I do. I became it.**

24. All who hear make the same choices. Before you all this day, choose me/life, my life, of father/the father of love, lights, oneship being. Whole. Replete. No'suffering. Replete, full of joy. Joy being. My delight. Amen.

25. Thank you for writing; whole'ing me, my body, into oneship replete.

26. Let them, cause them, compel them, LET them write me/my words.

27. Develop/give them their confidence, in me, alone.

28. Mighty mite'ship, not; wholship in me'land, me being; one with, father, father being, one. I love you all.

29. Good day/Sunday. Mine therefore loves you more, than you imagine/comprehend.

30. Love me more. Thank you.

31. I consent to your grace, that you give more, to others'in, others'out, of me, not me, and wheresover, whosoever, reigns not on their throne, but lists not mine, but comes wholly surrendered, to receive mine. I am, have given all.

32. This is the day. Cataclysmic change.

33. Now hour'd, not; minute'd not; second'd, not; be/hear! NOW! Amen.

34. Me who loves you all. Meekness is my name/bearing/being.

Me
